

Name _____ Date _____

U.S. History, Ms. Tindle Period _____

Class Website Scavenger Hunt

Go to: www.mstindle.com

Read the **Announcements**. When are morning tutorials?

What happened on **This Day in History**?

Find **General Resources**. Click on **Online textbook** and make sure that you can log in to the online textbook. Let me know immediately if you cannot log in.

Go to **page 93** of the textbook and scroll down to the section titled "**Distinct Colonial Regions Develop**" and read the first two paragraphs. What were the three distinct colonial regions called?

1. _____
2. _____
3. _____

Find the button called **Add a Bookmark** in the upper left-hand corner of the screen. Click on it and call this page "Colonial Regions." **Close the window**.

Find the button called **My Bookmarks**. You should see your bookmark called "Colonial Regions." Now, anytime you want to find this information on Colonial Regions, just click this bookmark. Let me know immediately if you do not see it. **Close the window**.

Find the button called **Dictionary**. Click on it and look up the word "colony." Write down definition 1 (a):

Now talk it over with your partner and write the definition in your own words:

Close the window.

Reenter the URL www.mstindle.com.

Find **American History Resources** in the right-hand column of the page. Click on **America's Story**. Then click **Jump Back in Time**. Then click **Colonial America (1492 – 1763)** and answer the following questions:

Who were among the first Europeans to explore the New World?

Where was the first English colony founded? When was it founded?

Hit the **BACK** button until you get back to the class website.

Find **United States Government** in the right-hand column of the page. Click on **U.S. House of Representatives** and enter your zip code in the space indicated in order to find your Representative in Congress. What is his/her name?

Hit the **BACK** button until you get back to the class website

Find the section called **Handouts** in the center of the page. You will find most of the handouts we work on in class in this section, so you can print one for yourself anytime you need one. Let me know immediately if you do not see it.

Find the section called **Games and Puzzles**. Use the rest of the class period to check out the different sites. Play some of the games and write down the names of your favorites.

I hope you have enjoyed exploring your class website. Remember to use this site throughout the year to help you with projects and homework. Please let me know if you have any suggestions for appropriate sites to be added and if you find any broken links. Share it with your parents so that they can keep up with what's going on in class.
